Figures of 2007-08 are yet to be finalized.

Discontinuation of coal linkages to captive power plants

†3320. SHRI RAJIV PRATAP RUDY: Will the Minister of POWER be pleased to state:

(a) whether it is a fact that Government proposes to discontinue the linkages of coal allocation to certain companies;

(b) if so, the details thereof;

(c) whether captive power plants are being operated efficiently by other companies; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRI BHARATSINH SOLANKI): (a) to (d) As per information furnished by Ministry of Coal, during the meeting of Standing Linkage Committee (Long Term) under the Ministry of Coal held on 22/23rd October, 2008, the Committee, *Inter alia*, reviewed the status of linkage issued to Captive Power Plants where neither plants have been commissioned nor Fuel Supply Agreements concluded with the coal

†Original notice of the question was received in Hindi.

companies of supply of coal. The Committee had recommended cancellation of linkage of those cases, where it felt that the linkage holder has not set up the project or where the progress in setting up the project was not satisfactory. However, while approving the minutes of the meeting, the Competent Authority had directed that these cases may be revisited for further review. Coal India Limited was accordingly directed to review these cases and to send their comprehensive status and recommendations to the Ministry of Coal. Out of such review cases, there were 25 cases, where linkage holder did not respond to the letters of the concerned coal companies seeking status of his project or where a coal block has been allocated for the project for which linkage had been granted. It was, therefore, decided by Ministry of Coal to cancel these linkages with immediate effect. However, if the project developer desires to apply again for seeking fresh Letter of Assurance for his project, as per provisions of New Coal Distribution Policy, he may do so as per the prescribed procedure. A list of cases where cancellation of linkage have been approved is given in the Statement.

Statement

List of cases where cancellation of linkages have been approved
